

VILLA HILL

ATHENS RIVIERA

SOUNIO

DESCRIPTION & FEATURES

Embracing the idea of a holiday dedicated to relaxation and physical and mental well-being in a natural environment. Restore yourself. The relaxing atmosphere of this villa can be combined with the numerous activities that Hills estate may offer to you. We will help you organise everything you may need regarding your stay, from weddings, birthday cakes, private chef menus, trips, boat rentals, transfer, suggestions about restaurants and beaches, car and bike rental, jeep safari, massages and more.

40 acres of stunning Greek countryside Explore and be at one with nature in this incredible piece of land - filled with traditional olive trees among other flora. Our Villa is perfect for people who want to calm down, relax, retreat with their family or their friends. If you like jogging, you could enjoy jog early morning or after sunset where the sun is not so strong.

Basketball court, tennis court and table tennis are available in our villa without any extra charge. Courts and table tennis are equipped with balls and rackets.

Villa has 7 bedrooms, offering a complete privacy and, at the same time, easy access to Athens.
